

## PRESENTATIONS

### **Mobility 2045: Metropolitan Transportation Plan for North Central Texas**

Mobility 2045 will define a long-term vision for the region's transportation system and guide spending of federal and state transportation funds. This includes funding for highways, transit, bicycle and pedestrian facilities and other programs that can reduce congestion and improve air quality. Draft recommendations will be presented. More information, [www.nctcog.org/mobility2045](http://www.nctcog.org/mobility2045).

### **Work Program Modifications**

The Unified Planning Work Program for regional transportation planning provides a summary of the transportation and related air quality planning tasks to be conducted by the metropolitan planning organization. Proposed modifications to the FY 2018 and FY 2019 UPWP will be presented.

### **2019-2022 Transportation Improvement Program**

The Transportation Improvement Program (TIP) is a federally and state-mandated list of projects with committed funding for construction or implementation within a four-year period. Staff will present the draft list of projects to be funded between 2019 and 2022.

### **Air Quality Update**

Ten counties in the Dallas-Fort Worth area are designated as nonattainment for the pollutant ozone, and the transportation sector is a major pollution source. Staff will present an overview of air quality improvements, recent ozone standard changes and a summary of local programs anyone can join to help improve air quality.

### **Regional Bicycle Opinion Survey Results**

The 2017 bicycle opinion survey captures the general public's views on bicycling, including frequency of bicycling, perceived barriers to bicycling, access to bicycle facilities and helmet use. Staff will present an overview of the survey results.
